Mansions home and contents insurance policy.

The Mansions of Australia policy has been designed with your high net worth individuals in mind. Typically their buildings and contents would have values of at least:

Buildings	\$500,000 NSW and VIC \$400,000 QLD, SA and WA	Contents	\$150,000
------------------	---	-----------------	-----------

Please call us if you have a client whose contents are below these guidelines, as we may still be able to help. That's because it's part of our philosophy to take a long term view – so we're quite happy to consider a client with asset growth potential!
